ACADEMIC WORKSHOP

Rms 4-6 TUES/FRI 1:30 - 2:30 PM • Rms 7-9 TUES/FRI 1:30 - 2:30 PM

Our students will study math and language, utilizing both Montessori materials and conventional resources. We will be customizing each child's curriculum to meet their individual needs. This is a great opportunity to catch up, keep up, and get ahead!

BOOK CLUB

Rooms 10 & 11 TUES/THURS 9 - 10 AM

We will be delving into a novel together and sharing the joy of exploring the book as a club. Book Club is not just about reading and discussion, we will also be focusing on figurative language, sequencing, point of view, comparing characters, and plot.

MATH & GEOMETRY

Rooms 10 & 11 TUES/FRI 1:30 - 2:30 PM

We will work on developing a solid understanding of numbers, operations, Geometry concepts and applications, and even algebra! Our club will work on hands-on projects to help expand their understanding of mathematical relationships in real- life scenarios.

THEATRE WORKSHOP

Rooms 4-11 MON/TUES/THURS 10 - 11 AM

Join our Theatre Troupe for improv, monologue work, and group scenes. At the end of the workshop, we will utilize all the skills acquired to perform a scripted production called "Awesome Animals" at our annual Summer Recital on Wednesday, 7/17/24.
